TO ALL PARTIES AND COUNSEL OF RECORD:

This matter has been reassigned to the Honorable James Donato. It is hereby ordered, pursuant to Fed. R. Civ. P. 16(b) and Civil L. For all other matters pertaining to the Case Management Conference, including who must attend and how the parties may make a request to reschedule the date, the parties are directed to this Court's Civil Standing Order. United States District Judge

UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA

STANDING ORDER FOR CIVIL CASES BEFORE JUDGE JAMES DONATO

INTRODUCTION

This Standing Order is a guide to counsel and parties on basic requirements for civil cases before Judge Donato. Counsel are required to read and comply with this order, this Court's Standing Order for Discovery in Civil Cases and the Civil Local Rules.

SERVICE OF THIS ORDER

For cases originating in this Court, or reassigned to this Court from other courts, plaintiff(s) must serve this order and the order setting the initial case management conference (along with any other required pleadings) on each defendant. For cases removed from state court, the removing defendant(s) must serve this order and the order setting the initial case management conference (along with any other required pleadings) immediately on each and every party that has previously appeared or that appears within thirty days after removal.

Thereafter, in all cases, any existing party to the action that brings a new party into the action must immediately serve a copy of this order and any other required pleadings on the new party.

Following service, the responsible party shall file a certificate of service with the Clerk of this Court.

CASE MANAGEMENT CONFERENCES

Civil case management conferences will be held on Wednesdays at 1:30 p.m. in Courtroom 11, 19th Floor, United States Courthouse, 450 Golden Gate Avenue, San Francisco, California. Pretrial conferences will be held in the same courtroom on Wednesdays at 3:00 p.m.

The parties must file a joint case management statement addressing the standardized items as required by the Standing Order For all Judges of the Northern District of California: Contents

1 of Joint Case Management Statements. Parties shall file their joint statement at least seven
2 calendar days prior to the case management conference. Failure to file a joint statement shall be
3 accompanied by a signed declaration setting forth the grounds for that failure. Absent good cause,
4 the parties may be subject to sanctions. If either party is not represented by counsel, separate
5 statements may be filed, but only after the parties have made a good faith effort to prepare a joint
6 statement.

7 In proposing a case schedule, the parties should agree on a trial date and work backward
8 from that date to ensure adequate time for dispositive motions, class certification motions, expert
9 discovery and other events. As a general rule, counsel should budget no more than 18 months
10 between the initial case management conference and trial. Counsel requesting longer pretrial
11 periods must be prepared to justify that request at the initial case management conference. A trial
12 date typically will be assigned at the initial case management conference. Once assigned, the trial
13 date will not be changed or continued absent good cause in the interest of justice. Counsel and
14 parties should assume that the trial date will not be moved.

15 For parties with counsel, each party shall be represented at the case management
16 conference by lead counsel prepared to address all pertinent matters and with authority to enter
17 stipulations and make admissions. Failure of lead counsel to appear may result in sanctions. For
18 parties without counsel, the party is expected to appear. Telephonic appearances are not permitted
19 at case management conferences or motion hearings, except in exceptional circumstances with the
20 Court's prior approval. A request for a telephonic appearance can be made by contacting this
21 Court's Courtroom Deputy, Lisa Clark, at (415) 522-2066.

22 Any request to reschedule a case management conference shall be made in writing, by
23 stipulation if possible, not less than 10 calendar days before the conference date. Good cause must
24 be shown. The conference date will not be rescheduled unless the Court grants the request.
25 Parties cannot change the date by stipulation.

26 Pursuant to Federal Rule of Civil Procedure 26(d)(1), no formal discovery shall be served
27 or initiated by any party until after the parties have conferred as required by FRCP 26(f), except by
28 stipulation or court order. The Court expects that as soon as any party reasonably anticipates or

1 knows of litigation, that party shall take the necessary, affirmative steps to preserve evidence
2 related to the issues presented by the action, including, without limitation, interdiction of any
3 document destruction programs and any ongoing erasures of e-mails, voice mails, and other
4 electronically-recorded material.

5 **ELECTRONIC CASE FILING – CHAMBERS COPIES**

6 In addition to filing papers electronically, the parties are required to lodge for chambers
7 two paper copies of the following: (a) complaints; (b) answers and counter-claims; (c) case
8 management conference statements; (d) stipulations; (e) all motion papers, including the opening,
9 opposition, and reply briefs, as well as any supporting declarations and exhibits; and (f) letters
10 relating to discovery disputes that are filed pursuant to this Court’s Standing Order for Discovery
11 in Civil Cases. Counsel should not submit chambers copies of any other documents that are
12 electronically filed.

13 All chambers copies required by the paragraph above must be double-sided, three-hole
14 punched at the left margin and marked with the ECF stamp (case number, document number, date
15 and page number). These printed copies shall be marked “Chambers Copy -- Do Not File” and
16 shall be in an envelope clearly labeled with the judge’s name and case number. The copies shall
17 be delivered in accordance with Civil Local Rule 5-1(e)(7). For pre-trial materials, please follow
18 this Court’s Standing Order for Final Pretrial Conferences and Trial.

19 **SETTING MOTIONS FOR HEARING**

20 The civil law and motion calendar is set for Wednesdays at 9:30 a.m. in Courtroom 11.
21 Counsel need not request a motion hearing date and may notice non-discovery motions for any
22 Wednesday (excepting holidays) at 9:30 a.m. The Court may vacate the hearing and rule on the
23 papers. Motions may be reset as the Court’s calendar requires.

24 Counsel typically will have up to 20 minutes of oral argument time per side. That time
25 will likely be extended for more complex cases and motions. The Court will also extend time for
26 motions argued by counsel in their first 6 years of practice. The training of our next generation of
27 trial lawyers and advocates is an important obligation borne by all members of the bar. The Court
28 strongly encourages parties and senior attorneys to allow younger practitioners the opportunity to

1 argue in court. The parties may advise the Court prior to the hearing if a lawyer of 6 or fewer
2 years of experience will be arguing the cause.

3 **FORM OF SUBMISSIONS**

4 On summary judgment motions, joint statements of undisputed facts are not required but
5 are helpful if completely agreed upon. Separate statements of “undisputed facts” may not be filed.
6 *See* Civil L.R. 56-2.

7 Reply papers should not raise new points that could have been addressed in the opening
8 motion or brief. Sur-replies are not permitted. *See* Civil L.R. 7-3(d).

9 The title of a submission must be sufficient to alert the Court to the relief sought; for
10 example, please do not bury a request for continuance in the body of a memorandum.

11 All submissions filed with the Court shall include the date and time of the hearing or
12 conference on the cover sheet.

13 Except for summary judgment and class certification motions, opening and opposition
14 briefs may not exceed 15 pages, and reply briefs may not exceed 10 pages. For summary
15 judgment and class certification motions, opening and opposition briefs may not exceed 25 pages,
16 and reply briefs may not exceed 15 pages.

17 Persuasive written advocacy is focused, plainly stated and supported by accurate and
18 reliable authority. Counsel should spare no effort to ensure that their pleadings and motions are
19 succinct and clear. The grab-bag approach to written submissions should be avoided. A
20 complaint should state the material facts and counsel’s best determination of claims. Multiple,
21 repetitive claims are not useful. A motion should be focused on counsel’s best determination of a
22 winning argument. Picking the best arguments and developing them as persuasively as possible is
23 the optimal strategy. Counsel should avoid burying arguments in footnotes or raising them
24 casually with little authority or discussion. For example, an argument that the Court lacks Article
25 III jurisdiction over a case or that a party lacks standing should not be raised in a footnote or a
26 short paragraph at the end of a brief. If counsel believes a serious question or issue should be
27 decided by the Court, counsel should argue it appropriately.

The Court requires that all case citations and fact representations be meticulously accurate. A citation to a case, statute or other authority is counsel's representation to the Court that the authority stands for the proposition asserted and is good law. A quotation of a case or other authority is counsel's representation that the quoted language is complete and present in the authority cited. Counsel must ensure that use of ellipses or elisions in quotes does not mislead the Court or misrepresent the substance of the holding or other authority. Counsel's representations of facts are subject to the same requirements of completeness and accuracy.

DISCLOSURES

FRCP 26 requires certain automatic disclosures and requires them to be made in a timely manner. Under FRCP 37(c), untimely-disclosed materials may not be used at trial or on summary judgment unless the delay in disclosure is "harmless" or "substantial justification" for the delay is shown.

SEALED DOCUMENTS

Any party seeking to file a document under seal must carefully review and comply with Civil Local Rule 79-5.

In addition, the Administrative Motion to File Under Seal required by Civil Local Rule 79-5(d)(1) must also be accompanied by a chart identifying each document or portion of a document proposed to be sealed.

The declaration and proposed order required by Civil Local Rule 79-5(d)(1) must establish, with reference to appropriate authority, that each of the following requirements is met:

a. The document or document portion is "privileged, protectable as a trade secret or otherwise entitled to protection under the law." Civil Local Rule 79-5(b). (Note that "[r]eference to a stipulation or protective order that allows a party to designate certain documents as confidential is not sufficient to establish that a document, or portions thereof, are sealable." Civil Local Rule 79-5(d)(1)(A).)

b. The "strong presumption of access to judicial records" may be rebutted under the appropriate legal standard, i.e., the "good cause" or "compelling reasons" standards. *See Kamakana v. City and Cnty. of Honolulu*, 447 F.3d 1172, 1178-82 (9th Cir. 2006) (discussing

1 “good cause” and “compelling reasons” standards with respect to dispositive and non-dispositive
2 motions). The declaration and proposed order must identify the appropriate standard and
3 articulate why the materials to be sealed satisfy that standard.

4 **COMMUNICATIONS WITH CHAMBERS**

5 Please do not send any letters to the Court (except for those relating to discovery disputes
6 as detailed in the Court’s Standing Order for Discovery in Civil Cases). When corresponding with
7 the Court by letter, always identify the party you represent. Do not messenger anything to
8 chambers without advance permission specific to the item.

9 You may contact the Courtroom Deputy, Lisa Clark, at (415) 522-2066 with appropriate
10 inquiries. Except for the letters described above, please do not attempt to make contact by
11 telephone or any other ex parte means with chambers staff.

12 **COURTROOM CONDUCT**

13 Counsel and parties are required to conduct themselves with the highest level of decorum
14 and respect for each other and court and chambers personnel while in the courtroom. Cell phones
15 and all other electronic devices must be turned off; no texting, e-mailing, or other electronic
16 communications are permitted. While sitting in the gallery, counsel and parties should avoid
17 conversation unless absolutely necessary for the appearance. Once a case is called and counsel
18 appear, all communications must be directed only to the Court. Counsel shall not address each
19 other directly unless the Court expressly permits them to do so. All statements and citations made
20 to the Court during oral argument will be held to the same standards stated as those set forth above
21 in Paragraph 20.
